ASSUMPTION OF RISK, RELEASE OF ALL CLAIMS AND INDEMNITY AGREEMENT

I understand that there are inherent and other risks involved in the use of firearms up to and including, bullet ricochets and/or "splash backs". Splash backs are bullets that hit steel or other hard surfaces and fragment. The fragments fly back toward the firing line and may cause bodily harm if it strikes a shooter or observer. A range shooter can shoot themselves or others or be shot by another range shooter by accident. I freely assume those risks, including the risk of serious injury or death.

I also understand that shooting firearms will cause **LEAD and NOISE** exposure as both are emitted from shooting. Bullets and primers are made of lead, cleaning firearms or even handling firearms causes lead exposure. The sound percussions are also created by firearms and can cause irreversible hearing damage. Proper hearing protection is mandatory while on the range. Improper firearms handling can lead to burns, cuts, or minor and/or serious injuries.

I agree to RELEASE, HOLD HARMLESS AND INDEMNIFY the Bellevue Indoor Range / Wade's Eastside Guns, the manufacturers and distributors of firearms, ammunition and accessories, and their owners, agents and employees from any and all liability for damage and injury to myself or any person or property resulting from any cause, including but not limited to negligence, improper selection, adjustment and use of firearms and ammunition.

I will accept for use, as is, any equipment rented or provided to me and accept full responsibility for its use. I will be financially responsible for replacement at full retail value, any equipment rented or provided under this agreement that is not returned to the Bellevue Indoor Range and will reimburse the Bellevue Indoor Range for any loss or damage, other than reasonable wear and tear. I will return all equipment rented or provided prior to departing the building.

I agree that it is my responsibility to know how to properly and safely use any equipment rented or provided to me. I will ask for any instruction or direction necessary prior to use. I understand the function of the equipment and will not misuse or abuse the equipment. If I rent a firearm from the Bellevue Indoor range I agree I must use their ammunition.

I am not legally restricted from possessing firearms.

I will not provide services such as firearms training in exchange for money to any person or persons on the premises of the Bellevue Indoor Range.

I am legally competent to sign this release or my parent or guardian has also read and signed this release. If I am less than 21 years of age, signature of a parent or legal guardian over 21 is required. Exceptions would be shooters 18 years old and renting or shooting rifles only.

I will immediately obey any safety directives or warnings given to me by any member of the Bellevue Indoor Range staff. I further agree that if I fail to immediately obey any directive I will remove myself and my belongings from the premises unless asked to remain pending the arrival of law enforcement personnel.

I recognize that Bellevue Indoor Range, INC. would never rent me any firearm(s) if it had any reason to suspect that these oaths or affirmations are untruthful in anyway, and if I violate any of these oaths or affirmations, I accept full and sole responsibilities for my actions, and I agree to allow Bellevue Indoor Range, INC. to use this document in any form whatsoever to demonstrate my deceit, dishonesty and misrepresentations.

I have read this agreement in its entirety and fully understand its contents. I am aware that this release of liability is a binding contract and I sign of my own free will. I also agree to present legal and valid identification.
